# I'M SO

Here's what our fashion director **KATE DIMMOCK** is loving this month

## ALESSANDRA AMBROSIO'S MINIMAL LOOK

“

Sometimes less is much, *much* more. Alessandra's simple black silk number is so incredibly chic.

I love its easy, comfortable cut and the deep-V neckline.

But what makes her look truly work? Those sexy lace-up heels. It's one killer combo!”

## This Reversible Cocktail Dress!

“What to do when you have lots of parties but the budget for only one dress? Well, Durga-Kali has got you covered! Each of the brand's elegant dresses comes in a brilliant hue and can also be worn in reverse as a classic LBD. In fact the only problem is deciding which side to wear first!”
